Dear Jackie Gordon for Congress,

On behalf of the National Postal Mail Handlers Union Local 300, we fully endorse the candidacy of Jackie Gordon to the 2<sup>nd</sup> District of New York in the United States House of Representatives.

Through discussions not only with myself, but the NPMHU National staff, Ms. Gordon expressed how she would support the Postal Service and the men and women of its dedicated workforce in the 117<sup>th</sup> Congress. As a retired member of the United States Army Reserve and a career in the New York public school system, she understands the importance of service to the community. That's what the USPS does: we serve our community. We ensure service to every single American household and business. We delivery needed medication to the elderly and our veterans. We make sure Social Security and Medicare checks get out on time. We deliver home goods to the house-bound during the pandemic. We keep family and friends connected.

We look forward to working with her in the 117<sup>th</sup> Congress. We'll work with her on legislation to create a sustainable future of the Postal Service through reforms that protects the dedicated workforce and reinforces service standards.

Congratulations on the endorsement, and we look forward to developing a long-lasting relationship with Jackie Gordon.

In Solidarity,

Kevin Tabarus  
NPMHU Local 300 President
