Dear Josh Gottheimer for Congress,

On behalf of the National Postal Mail Handlers Union Local 300, We fully endorse Congressman Josh Gottheimer's re-election to the 5th District of New Jersey in the United States House of Representatives.

Throughout his time in Congress, Congressman Gottheimer have been a constant source of support for the Postal Service, and its dedicated Mail Handlers and our fellow postal employees. From fighting against privatization of the only constitutionally mandated federal agency, to voting in favor of legislation that will secure USPS's financial footing during the coronavirus pandemic, he has had our backs.

As Local 300 members are fighting back against attacks on our livelihoods, Congressman Gottheimer has stood with us, recognizing the value of the Postal Service provides to not only residents of the 5th District, but its value to all Americans. We know the fight will continue into the 117th congressional session, and we look forward to continuing our work with him to promote a sustainable Postal Service that protects its workforce.

In Solidarity,

Kevin Tabarus
NPMHU Local 300 President
