Dear Maloney for Congress,

On behalf of the National Postal Mail Handlers Union Local 300, I fully endorse Congresswoman Carolyn Maloney's re-election to the 12<sup>th</sup> District of New York in the United States House of Representatives.

Throughout her tenure in Congress, she has been a constant source of support for the Postal Service, and its dedicated Mail Handlers and our fellow postal employees. From fighting against privatization of the only constitutionally mandated federal agency, to voting in favor of legislation that will secure USPS's financial footing during the coronavirus pandemic, she's always had Mail Handlers' backs.

As Local 300 members are fighting back against attacks on our livelihoods, Congresswoman Maloney has stood with us, recognizing the value of the Postal Service provides to not only residents of the 12<sup>th</sup> District, but its value to all Americans. We know the fight will continue into the 117<sup>th</sup> congressional session, and we look forward to continuing our work with her to promote a sustainable Postal Service that protects its workforce.

In Solidarity,

Kevin Tabarus  
NPMHU Local 300 President
