The Honorable Chuck Schumer  
U.S. Senate  
Washington, DC 20510

Dear Leader Schumer,

On behalf of the nearly 6,000 members in the National Postal Mail Handlers Union Local 300, which represents the New York City metro area, I want to extend my deepest gratitude for your longstanding and stalwart leadership on the Postal Service Reform Act, H.R. 3076, ensuring that it not only received a vote on the Senate floor, but also garnered significant bipartisan support.

As you know this legislation has been more than a decade in the making, and it will provide the first steps to fiscal stability for the United States Postal Service. The Postal Service continually proves to be a vital institution for every household and business across the country, and our members are grateful to see this bill on its way to become law.

We could not have achieved the passage of H.R. 3076 without you. I want to personally thank you for your unwavering support of our members and the United States Postal Service.

Again, thank you for your support of this necessary legislation, ensuring my brothers and sisters can continue to serve America.

Sincerely,

Kevin Tabarus  
President  
National Postal Mail Handlers Union, Local 300
