Dear Grace for New York,

On behalf of the National Postal Mail Handlers Union Local 300, I fully endorse Congresswoman Grace Meng's re-election to the 6th District of New York in the United States House of Representatives.

Throughout her tenure in Congress, she has been a constant source of support for the Postal Service, and its dedicated Mail Handlers and our fellow postal employees. It is because of her support, the Postal Service Reform Act was signed into law. With this legislation, the first of its kind for the better part of a decade, the Postal Service will take the first necessary steps towards fiscal stability. Congresswoman Meng has stood with us, recognizing the value of the Postal Service provides to not only residents of the 6th District, but its value to all Americans.

I know as we move into the 118th Congress, the Congresswoman will continue to push back against threats of privatization, closures and consolidations, and reductions in service. NPMHU Local 300 looks forward to continuing our work with her to promote a sustainable Postal Service that protects its workforce.

In Solidarity,

Kevin Tabarus
NPMHU Local 300 President
